

Kick It To Me!

Neridah McMullin has written detailed descriptions in *Kick It To Me!* Her description of Jirra kicking the ball could be taken straight from an AFL instructional book! Add diagrams to Neridah's descriptions:

Some distance away he stops abruptly and turns to face them.

he takes three steps forward.

his leg following through after the flight of the ball.

They all spread out and watch as Jirra runs with the ball.

Holding the ball with two hands straight over his left foot...

He drops the ball smoothly onto his swinging foot, kicking it hard...

On the back of the sheet, write your own instructions (with diagrams) for a different sporting skill.
