

Kick It To Me!

Did you know you can play footy inside? It's called Dice Footy. You need two people and two different coloured dice. Decide which dice will be for the goals and which one for the points. Each player rolls both dice for each quarter. You then add up your score. For example:

Player 1 rolls a 5 and a 3.

They score 5 goals (worth 6 points each) and 3 behinds (worth 1 point each)

Total score for the 1st quarter = 33

Player 2 rolls a 4 and a 1.

They score 4 goals (worth 6 points each) and 1 behind (worth 1 point each)

Total score for the 1st quarter = 25

The two players then roll the dice for the next three quarters. The player with the highest total after the fourth quarter is the winner.

Play some games of dice footy against your classmates:

G = Goals B = Behinds T = Total

	1 st Quarter			2 nd Quarter			3 rd Quarter			4 th Quarter			TOTAL
	G	B	T	G	B	T	G	B	T	G	B	T	
Player 1													
Player 2													

	1 st Quarter			2 nd Quarter			3 rd Quarter			4 th Quarter			TOTAL
	G	B	T	G	B	T	G	B	T	G	B	T	
Player 1													
Player 2
